FOR IMMEDIATE RELEASE

O'NEAL STEEL, LLC, OFFICIALLY OPENS IN ST. JOSEPH THIS WEEK

(St. Joseph, MO) -- The St. Joseph Chamber of Commerce will be a part of a grand opening ceremony this week for O'Neal Steel, LLC. The ceremony will be held at 11 a.m., Thursday, Sept. 10, at 2901 S. 22nd St.

In May the company announced its plans to open 64,000 square feet of warehouse space in St. Joseph. It began operations in June, initially employing eight people running two shifts, five days a week. One of the reasons O'Neal chose St. Joseph was its location to one of its strategic partners, Altec Industries, Inc. Representatives from O'Neal, Altec, the Chamber, the City of St. Joseph and Buchanan County will briefly speak during the ceremony, which will be followed by plant tours and lunch.

When it was announced that O'Neal was locating in St. Joseph Gov. Mike Parson said it was an example of even in the midst of COVID-19, there are good things still happening and Missouri is still a top location for businesses.

Seating is limited for the ceremony and tours. If you're able to attend and cover this event, please respond to Kristi Bailey.
