OFFICIAL RULES

Program begins on November 15, 2023, and concludes on December 18, 2023. Need not be present to win.

New in 2023, in addition to the \$10,000 grand prize, a \$2,500 Shop Small Business Bonus also will be given to a person who has shopped at a locally-owned small business with less than 10 full-time employees.

The prize drawing will be on Dec. 20 and announced through KQ-2, Eagle Communications, St. Joseph News-Press, News-Press NOW'S stations and the Chamber's website at www.saintjoseph.com.

Once the tickets have been announced, the winners will have 24 hours to claim the \$10,000 and \$2,500 prizes.

A new winning number will be announced each business day for 30 days (excluding Christmas Eve, Christmas & New Years) until a winner has claimed the prizes. Do not discard your tickets until the prizes have been awarded. Second chance prize winners have 30 days to come forward.

You must be 18 years of age or older to participate. Proof of age, Social Security number, home address and place of employment (if applicable) is required to claim prize.

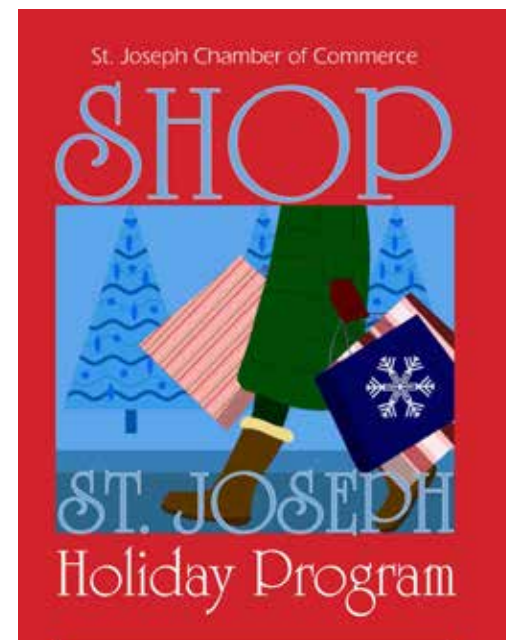

No purchase is required to win. Customers may receive one free ticket per day for visiting any participating merchant and one additional ticket for every \$10 increment of purchase. Banks may distribute tickets differently, for example, one ticket per deposit. A maximum of 100 tickets may be issued per transaction.

Tickets must be issued at the time of purchase. If tickets aren't offered, the customer should request them.

No governmental or corporate purchases are eligible for tickets. Excludes purchase of items that are prohibited by regulations from being incentivized.

The St. Joseph Chamber of Commerce staff, Chamber officers and their immediate family members (dependents living at the same address) are not eligible to win the grand prize. Participating business owners, managers and employees are eligible to win, with the exception of tickets distributed through their own place of business (including other participating locations).

The winner will be responsible for any applicable taxes. Merchants are responsible for ticket distribution and for following and enforcing the rules.
