

Build relationships.
Get leads.
Grow revenue.

The St. Joseph Chamber of Commerce Circle of Influence is a leads group composed of small business professionals who are looking to increase their revenue by forming relationships with other Chamber members for the purpose of exchanging direct client referrals and leads. The group also provides a forum for the discussion of issues which businesses commonly encounter.

Small businesses typically have a smaller marketing and sales budget than larger businesses and have less access to professional consulting services. By joining a Circle of Influence (COI) group, businesses have the opportunity to multiply their exposure by educating fellow COI members about their business, so when the occasion presents itself, COI members can promote each other.

Group 1 regularly meets:

11:30 a.m. to 1 p.m.**
