The President's Perspective Love Local All Year Long

St. Joseph Restaurant Week is more than a celebration of great food — it's a reminder of the powerful impact that choosing local can have on our community.

Restaurant Week highlights the incredible variety, creativity, and talent found right here in St. Joseph. From longtime favorites to newer eateries, this week encourages residents and visitors alike to explore our local dining scene, try something new, and support the businesses that help make our community vibrant and unique.

Programs like Restaurant Week, Shop St. Joseph and the new First Friday Power Lunch Bunch are key initiatives of the St. Joseph Chamber of Commerce designed to keep dollars circulating locally. When you choose a locally-owned restaurant, shop, or service provider, you're doing more than making a purchase — you're supporting local jobs, strengthening small businesses, and reinvesting in the place we call home.

While Restaurant Week creates excitement and buzz during a specific time of year, the importance of shopping local extends far beyond a single week or season. Local businesses are the backbone of our economy. They sponsor youth programs, support community events, serve on boards, and help shape the character of St. Joseph. Their success directly contributes to the success of our entire region.

The Chamber is proud to champion programs that spotlight local businesses, but our message remains the same year-round: when you shop local, you invest local. Whether it's grabbing lunch at a neighborhood restaurant, purchasing a gift from a downtown retailer, or hiring a local service provider, those everyday choices make a lasting difference.

As we enjoy St. Joseph Restaurant Week Feb. 23-March 1, we encourage you to carry that momentum forward—keep discovering local businesses, sharing your favorites, and choosing St. Joseph not just this week, but all year long.

Together, we can continue building a strong, connected, and thriving local economy—one meal, one purchase, and one business at a time.
